ASSESSMENT RUBRICS : EXPRESS

Assessment Criteria	Candidates demonstrate:			
	Excellent (14-20)	Good (12-13)	Satisfactory (10-11)	Below Average (0-9)
Light & Contrast	Excellent use of light and contrast with a good distribution of black, white and gray values in the histogram.	Lighting isn't bad but may not be spectacular. The contrast is adequate with a fair distribution of black, white and gray values in the histogram.	Use of light could be better and the contrast could be increased to include more black, white and gray values.	No thought given to the use of light and your histogram shows lack of understanding of value contrast.
Focus	Main subject is in focus. Intentional, deliberate and appropriate use of depth of field.	Main subject is in focus. Depth of field might be better used to direct interest to the subject.	Main subject is almost in focus. There is an attempt for depth of field although it may not be successful.	Image is blurry and unusable.
Photoshop technical skills	Artwork shows a careful use of photoshop tools and displays full comprehension of layering concept.	A small loss of detail occurs as the use of photoshop tools is slightly lacking. Overall, the image retains its interest and integrity.	Average use of photoshop tools and techniques. Loss of details can be seen.	Image is unsuccessful at creating seamless editing through the use of photoshop tools and layers.
Composition	Composition is interesting and compelling. The composition uses leading lines, perspective and framing. The image has elements in the foreground, middleground and background.	Composition is good but does not show the subject from a new or unique perspective. The image needs additional elements in the foreground, middleground and background.	Composition is average. The composition is flat or lacks interest with no leading lines, perspective or framing.	There was no thought given to composition.
Concept & Idea	Good use of an idea and concept. Presented this idea in a unique and novel way.	Good idea and concept but subject is presented in a typical manner.	Average idea and concept. Subject is presented in a typical manner.	No thought given to the subject.
