Secondary School Art

What's different than
Primary School Art?

One of the major difference is that Art in Secondary School is an examinable subject. This means that the grade you acquire for your Art exam will be factored in your overall passing percentage.

In lower secondary, Art is a mandatory subject that all students will have to take.

Students will then be given the opportunity to major in the Art subject in upper secondary.

About you

Tell me more about yourself by completing the 2 class activities!

Start!

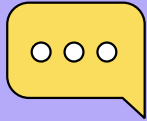

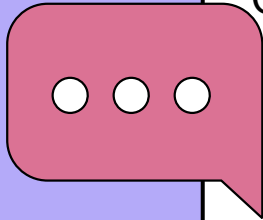

Tell me more about you!

Class activity 1

Use the worksheet provided and fill in the blank areas about yourself! Be creative- you can doodle, colour and personalise your page!

#Drawyourselfie

Class activity 2

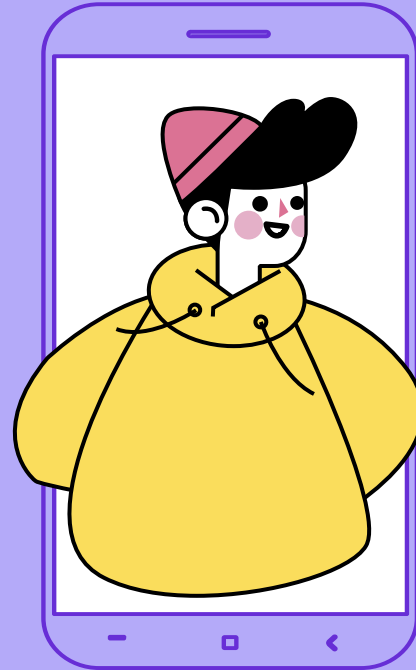

Make a drawing of yourself that looks like a selfie

Where are you in the photo?

What are you doing in it?

About us

Building a respectful
relationship & what to expect
in 2021!

Start!

Class Norms

Expectations and Values

 Integrity

Do not cheat or copy works from other artists or your peers

 Care

Show care and pride for your work by being neat and committed

 Respect

Respect works done by your peers, especially during presentation and feedback sessions

 Resilience

Do not give up in producing your best work, even if you find your task difficult

 Excellence

Challenge your limitations and outdo your best, work towards your personal excellence

 Ever ready

Always be ready for class, bring all required materials and submit works on time

Write Something You Are Curious About

What art topics do you want to learn?

What are your interests?

Class activity 3

Go to www.menti.com

Use the code 32 86 72 4
